To Chief Richardson and the City of Hillsboro Council:

Ladies and gentlemen this letter serves as my resignation from the Hillsboro Police Department effective this date 9/18/2016. These past four plus years have been an adventure that I will not soon forget. It has been my pleasure to serve the residents of this city, and I hope that my time here has made a difference in this community. While it is with a heavy heart that I leave you, I thank you for the opportunity that the City of Hillsboro has provided to me and know that I will not forget the lessons that I have learned while in its employ. My only regret is that I could have done more and been a better officer to serve this city with highest class of law enforcement that it deserves.

Officer Brandon Arenz #175
Hillsboro Police Department
